KNOW-HOW & DARING

Guerlain opened its Institute and aesthetic training school in 1939. It has since trained all its Beauty Experts there, inspiring them to be ambassadors for Guerlain excellence. Throughout the world, these Experts carry out treatments requiring tremendous technical skill, such as the 19-minute facial treatment, which is considered as an industry standard. Spurred on by its pioneering and enterprising vision, Guerlain has been developing massage techniques that combine tradition and innovation for the past 80 years.

With its years of know-how and expertise, Guerlain ensures that every single treatment is an outstanding and personalised experience. Guerlain Beauty Experts perform Guerlain protocols with perfect skill, while being attentive to each individual. The diagnosis stage allows the Experts to adapt their movements and pressure to meet precise needs and expectations. For a unique and absolutely unforgettable experience...

AWAKEN THE SENSES

A MULTI-SENSORIAL EXPERIENCE
WHERE PLEASURE
MEETS EFFECTIVENESS

Inside an intimate cocoon, soothed by relaxing music, the senses are aroused and the mind is calmed. Before each treatment, Beauty Experts ask each guest to choose their own olfactory theme to create an atmosphere of relaxation and serenity. This theme helps to encourage gentle relaxation and to ensure that the journey to well-being is enjoyed to the full.

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, may be an unforgettable experience.

SECRETS OF INDIA 1H

The Shalimar Legend is the inspiration of this unique message to dive you in the heart of India. During this journey, the hands of the Guerlain Expert are intensively guided by the rhythm of music, especially developed for this experience. This artistic and musical composition is divided in four emotions: meditation, sensuality, joy, and the apogee of this adventure, energy. Secrets of India is the promise of a new aura, a body & mind rebirth.

WHISPERS OF OUESSANT 1H

This invigorating message will transport you to the wild landscape of the Ouessant Island, where bees yield their most precious treasures. In perfect harmony with the movements of the Guerlain Expert, the music is designed to delight all your senses and offer you a rousing and refreshing escape. Progressing through four chapters, this musical score evokes the emotions of this encounter: the intrigue of arriving by sea, the heady feeling of exploring the island, the excitement of discovering its flora and fauna and the deep reawakening of the Celtic soul that invites an escape into the imagination. Whispers of Ouessant echoes the buzzing dance of the bees, soothing both the spirit and the senses.
