OUR ROOMS AND SUITES

OUR ROOMS AND SUITES

Our 82 rooms reveal a warm, refined and unique decoration inspired by the XVIIIth century. Colors, materials, furnitures have specially been created for the hotel by interior designer Jacques Garcia and form a haven of elegance and beauty even though each room has its very own identity.

Imbued with incomparable elegance, our 44 suites reveal all their character in a enchanting setting for an unforgettable stay: Opened or private living room, wine bar and marble bathroom

When the night comes, the experience gets truly magical with breathtaking views over Place de la Comédie and the Opera House, the Cours de l'Intendance or the Garonne River. Decorated in an imperial style, our Royale Suite offers the ultimate privilege: A 140 sqm spectacular private terrace over Bordeaux' rooftop and it comes with its own hot-tub.

OUR SPA GUERLAIN

The prestigious house of fragrance and exceptional cosmetics is located on the top floor of InterContinental Bordeaux - Le Grand Hotel.

True haven of relaxation and wellbeing, the spa is a true gem out of the time. With its 1000sqm inspired by Roman baths the spa Guerlain offers you 8 treatment rooms including 2 doubles, an indoor and heated relaxation pool, a sauna, a steam room, a fitness centre and an outdoor panoramic hot tub for when the warm days of summer arrive.
